CURRENT BUILDING

THE CENTER AT autumn ridge

Serving people. Creatively. This is a distinctive tradition at Autumn Ridge. The 60-acre Salem Road campus was designed with a master plan allowing expansion and improved service to all.

With recent tremendous growth comes the challenge to meet new needs. Kids ministry space will soon reach capacity. Flexible education and gathering spaces will allow a warmer welcome. Multi-purpose gymnasium space will create a resource that can be used and shared in countless ways.

Autumn Ridge is a regional church with service opportunities limited only by imagination and faith.

“At the center of all this, Christ rules the church.”

—EPHESIANS 1:20
