

## **October 13, 2010 WBS Evening Table Talk Questions**

**App #5: God's Family Plan..... Exodus 20:12**

Teacher: Gretchen Steer

**Ice Breaker: TBA**

**Table Set:**

1. What are some ways that we honor our parents? How does this change depending upon our age and theirs? How do we honor parents who are immoral or wicked or are we exempt from doing so? Why has it been easy or difficult for you to honor your parents? Do you think duty towards parents is different than honor towards parents? Why?
2. What significance do you find by the fact that this commandment falls between the laws regarding man's relationship to God and man's relationship to others in the Ten Commandments? Look up John 3:35, John 9:4, John 12:50b, and John 17:19. What characteristics do we observe in these verses about the relationship Jesus has with God the Father? Are these characteristics that we can know in our relationship with God the Father, or not?
3. In today's society, we often move away from parents and siblings for career purposes. How can we apply this commandment across distances? How can we apply it to the wider body of the church which often becomes a type of "family" in such incidences?
