Intensive Study Questions

1. In verse 10 of 2 Timothy 3 Paul wants Timothy to "follow him". Find several other references in Paul's letters that give clear ideas about following a positive and godly example. (Philippians 3:17 is one). Who do you follow?
2. What happened in Antioch, Iconium, and Lystra? (Acts 13 and 14).
3. Paul says he endured his persecutions. Can you find a verse or two about endurance and what it does for our spiritual life? What have you endured?
4. How do you think verse 12 fits into our culture here in Rochester, MN? (John 15:18-21)
5. Can you find some verses in Proverbs that will support verse 13?
