Missions Trip Send Home Policy

If I:

- Constantly make trouble during the mission trip.
- Flagrantly break the guidelines set for the mission trip.
- Do not respect the authority of any adult sponsor or mission site staff.

Then I will be sent home at the expense of my parent/guardian.

A sponsor will call my parent/guardian, explain the situation, and inform them of the method of returning back to Rochester, MN.

I have read the mission trip Send Home Policy and understand that should you find it necessary to send my son/daughter back to Rochester, MN that you will do so at my expense. I understand that my child will have been extended grace at every point possible and this action will only be taken under the advisement of our adult staff along with our mission site host. I also understand that I will be notified by phone at that time.
