

Dear Parents,

During this past July 4th family picnic, several parents shared with me how much they enjoyed having the opportunity to visit with other parents of High School students. It has been expressed on numerous occasions since then, that parents want to get more connected with other parents and with the High School ministry.

On Monday, November 16, from 6:30pm until 8pm we are having

The Parent Network

This will be a time:

- of having fun getting to know other parents (desserts and refreshments will be provided).
- to hear a State of the Student address regarding the High School ministry (what is working and what is not) and to learn more about ministry goals and ways students can get plugged into a ministry so they can be a part of making their faith their own.
- to discuss ways the High School ministry can support you as you invest in the spiritual direction of your son(s)/daughter(s). Resources will be available.
- for you to offer ideas, suggestions, and possible solutions regarding ministry and outreach to 9th – 12th grade students.

See you there!
