Hello Friends!

Can you believe that after today we're more than a third of the way through 1 Corinthians? That, and this beautiful weather, has made me optimistic that spring is around the corner, maybe more optimistic than a native Minnesotan should be!

Speaking of around the corner, next week's chapter will speak to issues in our relationships, whether we are single, married, or widowed. I have a heart for women in all three categories, having experienced each at different times in my adult life. Our church wants to serve women in these areas as well. There is interest in revitalizing the Widows' ministry, and if you would like to be involved with that, Karen Foster would love to hear from you. For the married, I highly recommend the Staying in Love weekends held each month at the Elizabeth Lodge. For only \$75, you and your husband can enjoy a lovely getaway. Loosely structured programming and all of your meals from Friday night through Sunday lunch are provided, so you can simply relax and focus on each other in the Lodge's spectacular setting. Registration for March 10-12 is now open on the ARC website, and Karen Foster can answer your questions. She may be reached at foster.karen@autumnridgechurch.org or by calling the church office.

Finally, I'd like to add my encouragement for you to try the Hire-A-Student program this spring. Autumn Ridge teenagers will be participating in missions trips locally, nationally, and internationally this summer, and many of them will pay their way by earning it one job at a time through this program. You can hire them to do your yard work for you, help you move, tackle that spring cleaning, or whatever else you need done. It's a win-win! You get chores crossed off your list and make it possible for these sweet kids to serve Jesus and love people here and around the world. An easy job request form is located on the ARC Student Ministries webpage.

Your friend,
Svea
