Hello Friends,

Have you ever read a passage in your Bible and you had to re-read it a couple of times because you couldn't believe what it said... It maybe seemed to contradict the message you had been taught or maybe it was just something you had never read and you couldn't believe that those words were inspired by God!?

Today we are going to study a passage of Scripture that may have several parts like that. I want to encourage you to feel free to ask any of us - teachers or small group leaders - any questions you may have. It helps all of us learn when we can be authentic students of God's Word.

Next week is already Ash Wednesday so that means there will be no lecture. There will only be AM childcare offered in the morning for groups to gather for socializing. We hope that you will come to our Ash Wednesday service at 6:30 in the Sanctuary.

On that note...Because He died for me and today He lives...

I am a sinner blessed beyond measure...

Angie
