Dear Friends,

Today Juli Fischer is teaching on *Unity in the Lord's Supper*, from 1st Corinthians 10 and 11. In these chapters Paul continues to answer questions coming from the young Corinthian church about how to practice their faith in all areas of life. There were cultural questions arising that Paul needed to address, just as there are for us today.

Some of our life groups have chosen to engage in service together. This might be as simple as providing meals for someone who needs it in your group, or serving together at a church or community event. For example, there's a Spring Formal outreach this Friday for our high schoolers and help is still needed. You can contact Jann Wright if you want to lend a hand. We want to be doing life together with our life groups. I hope you are finding a place of friendship and encouragement in yours.

Enjoy the snow...it will be melting soon.

Your friend,

Gretchen Steer
