Good Morning Friends,

We are so glad you are spending time with us studying the book of 1 Peter. We have much to learn about how to live Godly lives when the culture around us is unfriendly to Christianity. Our lesson will focus on who we are in Christ which is necessary as we navigate a difficult journey and seek to represent Him well and influence the culture around us. I have found this lesson very challenging as we think about what life was like in the First Century for Christians and how those principles still apply to us today.

Please continue to pray for Gretchen as she and John are still in England, but will be returning later in the week. My daughter Ashley is in Oxford where John is on study leave, she is e-mailing them hoping to touch base. Oxford is a small place, my guess is she is likely to run into them on the street or in a cafe. It is always good to see someone from home, especially when you are in another country.

A reminder as winter is fast approaching that our WBS cancellation policy is:

**Our policy is to cancel the morning study if the Rochester Public Schools cancel or have a late start, because it is too difficult for mothers with school age children, and our childcare workers, to make it to church by 9:30. So, please check your email for a cancellation notice, or just listen to the radio. If school's canceled, we are too.**

**If you attend the evening study, please check the church website around 2:00 pm to see if evening WBS is canceled. If the other church ministries cancel, so will we.**

Blessings,

Jann
