Good Morning/Evening,

Welcome back to WBS ! We as a teaching team are praying for you all as we together dig into Job. Today's lesson on calamity is difficult and uncomfortable to study and I hope you can learn and grow through the lesson and discussions.

The change in location from Common Grounds to the Sanctuary is all due to positive growth! Feel free to invite friends to join you and enjoy the better sound, visibility and room to spread out. There are many advantages to the Common Grounds and we want those advantages to continue on in the Sanctuary. If you loved the Common Grounds, we meet in there for our PM session and would always welcome you!

God always teaches me something new when I teach and it can be challenging. My response to events in my life have not always been "blessed be your name", at least not at the beginning. I pray that you can also learn more about your relationship with God and how He is taking care of you.

Please continue to pray for the Bolivians that are here through Samaritan's Purse for heart surgery. I have the two babies staying with us and they have worked their way into my heart.

With prayers and gratitude,

Juli

Jeremiah and Vanessa Gamble will be performing their original musical, **A Misfit Christmas**, will be here at Autumn Ridge on **November 30th at 7 pm**. This funny and festive morsel is a music-filled mix of offbeat and charming stories from the first Christmas. One story. Two actors. Nine songs. Fourteen characters. Countless laughs. And a partridge in a pear tree. This event is for the family (school age children on up) and tickets will be \$8 each. Watch for registration soon!
