Welcome back!

Several of us from ARC went to Greece for a conference for medical personnel that serve all over Africa and Asia. Over 900 were there and I do believe all of us would say it was humbling and overwhelming to be there. If someone you know went, ask them about it. Being around that many people who are giving their lives for the gospel in places that are extremely difficult is a life changer.

And then we came back to snow. It was a bit humorous to me as I walked around in the 60 degree weather in Greece in capris and the workers were there in layers and coats because they were freezing!

We start out today on the second half of John. It is also a life changer. Jesus does that to us. May you personally be changed by Him!

You are all so appreciated,  
Juli
