Ridge Lines: CONNECTING TO THE AUTUMN RIDGE COMMUNITY

Please Pray for the Autumn Ridge Student Team in Honduras June 24 - July 2

SOME OF THEIR PROJECTS:

- leading evangelistic day camps for children
- building beds for children who do not have them
- constructing a teen trade education center
- leading teen music, dance, and ESL courses

Welcome, Guests!

We pray that you are encouraged by the love of Christ as you worship with us. We strive to create a grace- and hope-filled environment where you can take your next step toward Christ!

Please fill out a **Connection Card** from the rack in front of your chair, and bring it to the **Connection Center** in the lobby. The staff would love to meet you, answer questions, and give you a gift bag that includes a coupon for Christos Bookcenter and tickets for a complementary Saturday night meal or Sunday morning breakfast in the Common Grounds Cafe.

Children are always welcome in our worship services. If your child becomes fussy, we can direct you to spaces which will allow you to see and hear what is going on in the services while attending to your child's needs.

A little about Autumn Ridge

Our Mission is to make disciples of Jesus Christ who love God and serve people. We do this through **our Vision** to equip Autumn Ridgers, in the power of the Spirit, to be disciples where they live, work, and play, and to share our hope in Jesus.

Congregational News

CONGRATULATIONS to Andrea Petersen and Gabriel Orem who were married June 3rd in St. Paul. Andrea is the daughter of Brian and Lisa Petersen.

Words seem so inadequate to express the **GRATEFULNESS** we have felt for the many acts of kindness you have shown our family. Thanks, church family, for all the prayer support since the tragic death of our son-in-law, Jay Tichelaar. God's blessings to all!

MISSIONS THIS WEEK

Bob and Barb work with FEBC in Indonesia. They have been busy traveling lately, reconnecting with contacts from former work with TWR, and encouraging others in the work of broadcasting the Gospel around the globe. In the coming months, they will be leading conferences and workshops, then will be in the US this fall. Check out the work of FEBC at febc.org. Exciting things are happening as technology explodes in even the most remote places on earth.

Grace Is Greater ~by Kyle Idleman

The best way to understand grace is to experience it. The author leads us past our hang-ups toward an understanding of grace that is bigger than our mistakes and failures.

The Little things: Why You Really Should Sweat the Small Stuff ~by Andy Andrews

This is a humorous look at the way we spend our time considering the big challenges in life, when it's actually the little things that change everything.
